Part 1:
Read sections 19.1 and 19.2 together in class. Then using information from Chapter 19 in your textbook, fill out the information in the boxes for sections 19.3 to 19.7 of the chapter. Color in the summer temperatures red, the winter temperatures purple, and the precipitation blue. Also using colored pencils, draw an example of the natural vegetation and physical features of the area, labeling each underneath the circles and boxes.

Score ……………………………………………………………………………………………._____/25 points

Part 2:
Use an atlas or chapter 19 in the textbook to find items on the China map and surrounding area. Lightly color your map with colored pencils and make sure all labeling is done in black pen. Label each item horizontally, and cross off each item as you label it. Spelling should be correct.

Locations to label on the map:
1. City of Beijing
2. Gobi Desert
3. Himalaya Mountains
4. Hong Kong
5. India
6. Japan
7. Kunlun Mountains
8. Laos
9. Myanmar
10. Mongolia
11. Nepal
12. North Korea
13. Russia
14. Sea of Japan
15. Shanghai
16. South Korea
17. Taiwan
18. Taklamakan Desert (Tarim Pendi)
19. Plateau of Tibet
20. Vietnam

Include a legend in the top left hand corner showing symbols for mountains, rivers, seas/oceans, deserts, plateaus, dynasties, the Great Wall, cities, color of China and color/s of other countries.

Also include a compass rose in the lower left corner of the map showing all cardinal and intermediate directions.

Score ……………………………………………………………………………………………._____/30 points

Part 3:
Answer the China Map Project Questions by labeling or drawing each item on the China Map and then answering the questions. Use Chapter 19 in your textbook to find the correct locations for each item. The questions should be answered in complete sentences.

Score ……………………………………………………………………………………………._____/25 points
