Part I Directions: On your outline map, neatly and accurately label the listed physical and political features of Japan in blue or black pen. Use the hints below to make your map easier to understand. Then add a compass rose and map legend showing the symbols and colors used to identify each of the listed items. Finally, color the map using colored pencils. Make sure to color the water blue and that each of the four islands is a different color. Remember that neatness, spelling, and proper capitalization count.

Hints:
1. Print with small letters.
2. If possible, print the words horizontally.
3. Center names on large area items.
4. For small items such as cities, use a dot and print the name beside the dot.
5. Use pages 216 and 217 in the textbook, and pages 93, 95, and 101 in the Atlas.

Label the following items on your Japan outline map:
